

February 2025

Comrades, Auxiliary Member and Friends,

The Department of New York, Veterans of Foreign Wars of the United States is pleased to announce the annual State Commander's "Homeless Veterans" golf tournament. The tournament is scheduled during "Armed Forces Week" in May of this year and will take place in three separate locations. All proceeds derived from this event will benefit our State Commander Dan Kell's Special Project: Homeless Veterans. It is also our goal this year to bring awareness to the 22 veterans who succumb to suicide each day, losing their personal battles with the invisible wounds of war.

You are invited to support our State Commander's Special Projects by participating and/or sponsoring our golf tournaments that will take place at:
